Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

07/19/99 MAY 14 P2:21

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Dear Sir,

COMMENTS:

I is impossible for me to believe that our Government is trying to take away our choices, and why I will always use natural hormones the help alleviate my symptoms such as debilitating depression & anxiety. I can't get what I need in my state. I have been using Women's Health America & plan to do so. It is the pharmacy of my choosing. Thank you
